Dear Doctor/Dentist/Operator,

**Briefings on the Private Healthcare Facilities Ordinance**

The Private Healthcare Facilities Ordinance (“the Ordinance”), passed in November 2018, provides for a new regulatory regime for private healthcare facilities (PHFs), including (1) hospitals, (2) day procedure centres (ambulatory facilities where high-risk medical procedures are being performed), and (3) clinics. The Ordinance aims to further protect the safety and rights of patients, and promote the continuous development of the healthcare system in Hong Kong. It will replace the existing Hospitals, Nursing Homes and Maternity Homes Registration Ordinance and Medical Clinics Ordinance.

**Under the Ordinance, all premises where registered medical practitioners and/or dentists practise are required to have either a licence or a letter of exemption from the Department of Health (DH).** With a view to introducing to you the implementation of the Ordinance and the application procedures, as well as providing a platform for interactive discussions, you are invited to join the briefing sessions organised by DH in various venues on the Hong Kong Island, Kowloon, and the New Territories, starting August 2019. You may wish to refer to the enclosed registration form for the details of six briefing sessions in August and September (details on sessions after September to be announced in due course).

For enquiry, please contact Ms Annie CHEUNG at 3107 2939.

Yours faithfully,

(Dr Jeff LEE)  
for Director of Health

**Notes:**

1. All briefing sessions will be conducted in Cantonese.
2. Seats are subject to availability.
3. A confirmation email will be sent to successful applicants.
4. No food or drinks will be served at the briefings.
5. CME and CPD application are in progress.

**Please return the registration form by fax (2117 0436)  
or by email ([orphf.pds@dh.gov.hk](mailto:orphf.pds@dh.gov.hk)) on or before 31 July 2019**
